Breaking the Chains from
Domestic Violence and Abuse

Empowering Women to Break the Cycle

The BE UNSTOPPABLE FOUNDATION is delivering its Empowering Women – Breaking the Chains from Domestic Violence and Abuse program, a 10-week, in-person, child-inclusive education initiative supporting women and their children post-abuse.

Facilitated by qualified professional coaches and counsellors, the program focuses on:

- Rebuilding self-esteem, resilience and emotional regulation
- Supporting positive mental health and wellbeing
- Developing healthy relationships and communication skills
- Breaking learned patterns associated with abuse
- Strengthening family stability and children's outcomes

The program is delivered through strong collaboration with referral organisations, counsellors, psychologists and community partners to ensure a consistent and prevention-focused approach.

Proudly supported by \$13,317 in ClubGRANTS funding from Club Wyong, enabling meaningful, locally delivered community impact.
